Summary

Second-year Robotics and Automation Engineering student with a software and hardware-oriented concentration. Distinguished by national-level achievements in innovation, including the INR 50,000 grant at the ICSRF 2025 Hackathon, the prestigious INSPIRE MANAK Award (INR 10,000), and being a National Finalist at the CBSE Science Exhibition. Building strong technical proficiency in designing (Fusion 360, AutoCAD), simulation (MATLAB, MSC Adams), and programming (Python, C++) to execute and summarize system tests. Combines technical skills with proven leadership and communication abilities as a former School Captain and Student In-Charge of the Atal Tinkering Lab, demonstrating a readiness to deploy robotic solutions inside and outside the lab.

Education

2024–2028 **Robotics and Automation Engineering, Amrita Vishwa Vidyapeetham,(2nd Year)**

- B.Tech**
- Scholarship: Recipient of Slab 1 Merit Scholarship (Highest Scholarship Tier).
 - Entrance Merit: Secured 97 Percentile in JEE Mains.
 - Activities: Active Member of the Robotics Club.

2019–2023 **Sanik School Kodagu Ministry of Defence**

- Class 9 - 12**
- Merit Scholarship Recipient (Central & State Govt) | **School Captain** .
 - Best cadet in science exhibition.

2016–2019 **New Horizon Gurukul**

- Class 6 - 8**
- International Maths Olympiad Gold Medalist

Technical Skills

Languages: Python, C, C++(OOP),SQL(MySQL),HTML

Robotics Hardware & Embedded Systems: Arduino, Raspberry Pi, Robot Sensors, Motor Drivers, Electronic Assembly (Soldering, Crimping, Wire Routing), Hardware Debugging.

Mechanical Design & CAD: Autodesk Fusion 360, AutoCAD, MSC Adams (Adams View), Mechanism Design, Kinematic Analysis & Simulation ,FEM analysis.

Rapid Prototyping & Workshop Skills: 3D Printing, Slicing & Print Optimization, Hand Tools Usage, Component Assembly ,DFM analysis.

Simulation & Tools: MATLAB, Simulink, GitHub, Version Control,

Core Skills: Data Structures, Algorithm Design, DBMS, Technical Documentation.

Soft Skills: Leadership, Crisis Management, Public Speaking, Team Building

Honors & Awards

Hackathon: 2nd Prize & INR 50,000 prize: International Conference on Sustainable & Resilient Futures (ICSRF 2025) .

Hackathon: 1st Prize & cash prize Amrita Vishwa Vidyapeetham. Topped the technical innovation category.

INSPIRE MANAK Award: Recipient of INR 10,000 Innovation Grant from the Central Government of India

National Finalist: Represented the State of Karnataka as finalist at the CBSE National Level Science Exhibition.

Gold Medallist: International Mathematics Olympiad

Silver Medallist: National Institute of Value Education (NIVE) Bhagavad Gita Shloka Chanting Competition.

Leadership Experience

School Captain: Sainik School Kodagu Ministry of Defence

- Elected as one of only six School Captains to lead the student council.
- Orchestrated major school events, coordinating between administration and the student body to improve campus discipline and morale.

Student In-Charge: Atal Tinkering Lab(ATL)

- Managed the daily operations of the Central Government-funded innovation lab.
- Mentored junior students in basic robotics concepts and maintained high-value technical equipment.

NCC Cadet: National Cadet Corps (NCC)

- Achieved 'A' Grade in both NCC 'A' and 'B' Certificates.
- Completed the rigorous Combined Annual Training Camp (CATC).

Extracurricular Highlights

Sports: State & Zone Representation

- **Football:** Played for Baichung Bhutia Football Club, the prestigious academy founded by former Indian National Team Captain.
School Team Captain: felicitated by a Vishisht Seva Medal awardee.
- **Shooting & Horse Riding:** Formally trained at Sainik School Kodagu.
- **Basketball:** Represented the South Zone Team.
- **Kabaddi:** Captained the U-14 and U-16 School Teams.
- **Badminton:** Represented school team.
- **Torch Bearer For The Sports Day.**

Culturals: Arts & Debate

- **Debate:** President of the English Debate Competition.
- **Spell Bee:** State Level Finalist.
- **Public speaker.**
